

Cactus Jack's Saloon & Grill's New Normals

4651 Highway 73, Evergreen, CO 80439

Our CO-VID Mission Statement at Cactus Jack's Saloon & Grill:

"Cactus Jack's Saloon & Grill will always put our employees first. It is our responsibility to keep our employees safe with limited exposure to possible threats."

Policy and Procedures for Cactus Jack's response to CO-VID 19

"We have implemented new policies and procedures to protect our staff and patrons. We hope you will respect our requests at this time. When you enter the building to pick up food, drinks only or to place an order; please wear a mask. If you have a physical condition or choose not to wear a mask we will respectfully take your order outside.

If you are here to pick up food please proceed to the left side of the bar and our staff will assist you. Another option is to call 303-674-1564 or 303-674-5565 for curbside. Online ordering is always available at our website: evergreenlivemusic.com

We request **ALL INDIVIDUALS** who enter the building (inside) wear a mask. We ask that only one person per party stand in line to place your order. If your family is unfamiliar with the menu, we ask you to review it out front at our high tops.

Once you are ready to order you will get in line to order while your family goes through the building to the hostess stand. At that time, your family will be seated outside on the patio while you wait to order. If there aren't any available tables your family will either decide to go on a waitlist or get their food to go.

You will receive a number when ordering that will help us identify where to deliver the food once it is ready. Your drinks and food will be delivered this way. We will sanitize the numbers after each use and put them at the back of the stack for later use.

Please see the hostess to be seated. **DO NOT SEAT YOURSELF.**

We will have a 2 hour maximum per table. We will remind you when your time reaches 1 hour and 45 minutes. Please at this time, collect your items; buy some booze to go if you want; leave through the back exit gate. This is a one way EXIT.

We do not require you to wear masks while outside. Your family and you can enjoy our patio while observing social distancing rules. These social distancing rules are as follow:

- No parties bigger than 8
- Tables remain 6-8 feet apart
- Do not move tables
- Use hand sanitizer
- **DO NOT** come into our establishment or patio if you have a **FEVER** or feel ill.

Each table will remain 6 feet apart from each other. If your family consists of more than 8 people we will sit a separate tables. We ask you to refrain from interacting with other customers outside your party. This goes against most of our instincts, but believe me this will help keep you and your family safe. Remember we cannot guarantee the spread of CO-VID. We can only take safety precautions to **help** prevent the spread.

Part of the requirements for re-open is the use of a hostess. We will be using a waitlist app during our re-open for dine-in seating. When we use this app, we will collect your name and phone number. We will use this information if we need to report a CO-VID outbreak. We will not use this information for anything other than this. This app uses texts as the main form of communication.

If our patio is full, we will place you on a waitlist for the next available table. Eventually you can go to waitlistme.com Cactus Jack's and add yourself. We are working on upgrading our account.

What our Cactus Jack's Staff is doing to protect you?

- Cleaning & Sanitizing bathrooms every hour
- Washing our hands like we would already because of health department requirements and practicing good hygiene.
- Cleaning and sanitizing communal surfaces.
- Wearing masks while preparing food and drinks.
- Wearing gloves while preparing food and drinks.
- Politely redirecting patrons who are not social distancing.

We don't want to impede on anyone's liberty. We choose to protect those that work for us. We hope you respect these changes. Our staff is important to us. We will use these new methods for the next two weeks. We will re-evaluate our policy on June 15th.

Thank you for your understanding!
